**Аннотация:** Данный ряд упражнений посвящен изучению лексики на тему: «Животные». Материал актуален для учеников 5 класса, учащихся по УМК Ваулиной Ю.Е., Дули Дженни, Подоляко О.Е., Эванс В. Spotlight 5. Student's book / Английский в фокусе 5 класс. [3]

Задания, направленные на развитие как продуктивных навыков (говорение и письмо), так и рецептивных (чтение), будут интересны не только педагогам, но и детям. Материал содержит в себе новые сведения о животных, способствует развитию письма и говорения при помощи таблиц и вспомогательных конструкций. Дети могут выполнять упражнения как устно, так и письменно, используя интерактивную доску. Упражнения выполняются поочередно. Полнота и целостность сборника упражнений позволяет обучающимся полноценно изучить новую тему.
